

## Recap of Key Implementers and Supporters Identified in This Series

The below list combines and expands on the list from Part 3 to include all of those in Part 4, totaling 287 names and companies. Note that many of the coalitions and alliances have hundreds of partners that may not have been covered in this series, so the number is quite larger than the list below.

**Don't let it intimidate you. They are only as powerful as we allow them to be.**
