

# History of the United Nations, Rothschild Zionism and the Palestinian genocide

It's becoming less and less known that what we know today as Israel, was actually a country named Palestine not so long ago.

Turning Palestine into Israel went hand in hand with decades of genocide which continues even today in the Gaza strip. Mainstream media reporting was a joke and virtually doesn't exist anymore today.

History shows colluding hands from globalist organization UN, the Rothschild banking dynasty and the British crown.

1910	Carnegie Endowment for International Peace ( <b>CEIP</b> ), founded by <b>Andrew Carnegie</b> . CEIP advances cooperation between nations, promotes US active international engagement. Groundwork for the League of Nations which would transform into United Nations later on.
